Protocol Summary

Disclaimer

The auditor (Nirenix) makes all efforts to find as many vulnerabilities in the code in the given time period, but holds no responsibility for the findings provided in this document. A security audit by the auditor is not an endorsement of the underlying business or product. The audit was time-boxed and the review of the code was solely focused on the security aspects of the Solidity implementation of the contracts.

Risk Classification

	Impact: High	Impact: Medium	Impact: Low
Likelihood: High	High	High / Medium	Medium
Likelihood: Medium	High / Medium	Medium	Medium / Low
Likelihood: Low	Medium	Medium / Low	Low
